RE: REFERENCE LETTER

I would like to express our thanks to Nexim for their outstanding service and hereby present a Reference for any company wishing to deal with Nexim.

Services offered to us include:

Skills Development, all our documentation is compiled and submitted yearly in order to receive our grants.

Live Training is done for all our staff. The feedback on these presentations indicate that our staff enjoy and gain valuable knowledge from these training sessions.

Occupational Health and Safety plan has been put in place and controlled by Nexim. This is a huge burden off our shoulders and gives us peace of mind.

BBBEE has been made into a simple process by Nexim, who have given us understanding and guidance in order to make sound management decisions.

Regards,

MATLA TMP (PTY) LTD
